

Notice of Revision to Medical Service Fees

To patients who do not hold Japanese nationality and are not enrolled in a valid public medical insurance system within Japan:

Until now, our hospital has provided medical services to you based on fees equivalent to those under Japan's National Health Insurance system (10 yen per medical service point). However, in accordance with policies from the Ministry of Health, Labour and Welfare, we have revised the charges related to medical fees and other services.

【Effective Date】

From June 1, 2026

【New Medical Service Fees】

20 yen per medical service point

We will continue our efforts to provide safe, high-quality medical care to patients who do not hold Japanese nationality and are not enrolled in a valid public medical insurance system within Japan.

We appreciate your understanding and cooperation.

Should you have any questions, please do not hesitate to inquire at the reception desk.
